Location & Staff

The Medical Centre is an accredited service and is located in the building to the left of the hospital main entrance. Parking is available at the front of the Medical Centre in areas marked or on Barree Street. Disabled Parking is in front of the Medical Centre entrance.

The Medical Centre staff are employed by Tallangatta Health Service and consist of Doctors, Practice Manager, Practice Nurses, Nurse Practitioner, Diabetes Educator and Reception staff.

Our General Practitioners are:

- Dr Anne McMahon
- Dr Rasmita Mishra
- Mrs Susan Reid (Nurse Practitioner)

Booking Appointments

Appointments may be booked by phoning 02 6071 5270 or in person during office hours.

Regular appointment times are 15 minutes, if you feel you need longer please discuss with the receptionist at time of booking.

Appointments for health assessments, complex medical problems or removal of lesions, all require extra time.

Whilst the Doctors aim to keep patients waiting times as short as possible, delays may occur.

Walk-in appointments

We operate on an appointment system and reserve appointments for emergencies each day. Walk-in patients are offered an appointment within a time frame for their individual needs.

Bulk Billing

Tallangatta Medical Centre is a bulk billing clinic. Certain assessments, dressings or non Medicare visits may incur a fee.

Further information is available at time of booking. Payment is required on the day.

Home Visits

Visits can be arranged in certain circumstances. Please contact the receptionist to discuss your needs. Remember, always call the ambulance service on **000** if you are experiencing severe pain or illness at any time.

Prescriptions

Check your medications regularly and ensure you have sufficient supply until your next appointment. Telephone requests will not be taken unless previously arranged with your Doctor. As this service is not covered by Medicare, the Practice charges a fee for prescriptions.

Results

A follow up appointment is usually required to receive results. Telephone advice will only be made if authorised by your doctor. The Medical Centre will attempt to contact you regarding any urgent results.

Contacting Your Health Professional

Phone calls to your doctor will be put through initially to the Practice Nurse if available or the Nurse will return your call as soon as possible. The Nurse will then discuss any concerns with your Doctor and get him/her to phone you back as required. If your Doctor has asked you to phone, please advise reception and you will be put through or a message will be taken for the Doctor to return your call as soon as possible.

Reminder System

The Medical Centre is committed to preventative health care and has a recall system in place for routine screening and care plans. You may get a phone call or letter from time to time from the Practice Staff requesting you make an appointment.

Confidentiality-Privacy and Health Information

Your medical record is a confidential document. It is a policy of this Practice to maintain security of personal health information at all times. Information is only accessed by authorised members of staff for the purposes of improving or enhancing your health care.
